

I can do my homework

My name is _____ and I am in Y__ at _____ School.

All teachers in high schools give their pupils homework. I get different homework each day.

I write my homework in my planner so I know what to do and when it has to be given to the teacher.

Homework is given to help us remember what we learn and see if we can find things out. Sometimes we have to work on the computer, sometimes we have to write or draw and sometimes we have to make something.

It is part of being at high school that all children get homework.

It is a good idea to try to do my homework when I get home from school. If I am doing something else I can decide what time I will do my homework and try to keep to it.

time

It is good that my mum and maybe other people in my family will help me.

It is ok when I don't like having to do homework. Many children feel like that too. I can try to do the best I can and do a good job because my teachers will expect it to be done no matter how I feel about it!

When I have done my homework, it is a good idea to put it in my bag the night before so that I know I will have it to give to my teacher on the right day!

I can plan a nice treat for when I have done my homework. I might play on the computer, or relax or watch something on TV. Then I will enjoy it knowing that my homework is done!
