What things would you like to know about your new class?

- 1. _____
- 2. _____
- 3. _____
- 4. _____

What things in your new class are you looking forward to?

What might you need help with in your new class?

Add any extra information that might help you get ready for your new class here.

(e.g. new timetable, PE days, Swimming days etc, date to start etc.)

Everyone feels nervous and maybe excited when they are starting something new.

It is ok to ask questions.

It is ok to not know what to do all the time.

Your teacher and teaching assistant will help you. You can ask them for help or ask them a question if you are unsure about something.

You will soon settle in and enjoy the new things that you do. Soon it will seem like an 'old' classroom not a new one!!

Well done! You are on the way to being ready for the next school year! Fantastic!
