

Going to my new class in September

This is me

My name is _____

I am _____ years old and in class _____

Usually schools have a year that starts in _____ and goes through to the next _____.

Soon it is time for the school year to finish and all the children will move to the next school year.

My new teacher / class

On _____ my school starts a new year. Usually the children will move to a new classroom and have a new teacher. This is so that we can learn new things each school year. Last year I learned Year ___ work. Next year I will learn Year ___ work. This is how schools teach the children.

worried

class

Lots of children feel worried and maybe excited when they are starting something new. It is helpful to remember what you know will be the same as before.

It is ok to ask questions.

Your parents, teacher and teaching assistant will help you.

It is likely that you can soon settle in and enjoy the new things that you do.

Soon it can seem like an 'old' classroom not a new one!!
You are on the way to being ready for the next school year! Well done you!
